

CTC 14 CTV

Carpet Trim – 7/16" REVEAL

- Designed for glue down carpet to vinyl flooring transitions.
- Offers protection of both surfaces.
- Available in clear, bronze, medium bronze, darks bronze, and black finishes.

Installation Instructions

- Adhere perforated leg to sub-floor with carpet or construction adhesive.
- Install the carpet over perforated leg, tuck underneath the overhang.
- Install the vinyl against opposite side, tuck underneath the overhang.
